2 IN 1 VIT C RESURFACING SET

Cell renewal + Hydration + Brightening

The 2-stage Resurfacing set fairly refreshes the skin.

In the first place, it provides a brighter appearance by promoting cell renewal with Vit C resurfacing serum and protects it with anti-oxidant actives. Then, with the help of HydraSooth gel, it moisturizes the skin deeply while prevent and soothing sensitivities that may occur.

The 3-balls massage head of the each tube helps with the deeper penetration of product particles.

VIT C RESURFACING Serum

Containing Vitamin C and AHA, it has formulated to improve the appearance of dull/uneven skin tone and blemishes resulting a brighter look. It also reduces fine lines and large pores thanks to Hyaluronic acid and Saxifraga Sarmentosa Extract it contains.

Vitamin C, Hyaluronic acid, Caffeine, Tartaric acid

HYDRASOOTH GEL - In Set

In-set HydraSooth gel has been developed to deeply Hydrate the skin while soothing and revitalizing it. Containing aloe vera, Hyaluronic acid, Vitamin E and Amino acid, it provides a complementary care after applying Vit C Resurfacing serum.

Aloe vera, Vitamin E, Hyaluronic acid, Niacinamide (Vitamin B3)

PEPTO-HYALURONIC FILLER CREAM

Anti wrinkle + Fading fine lines

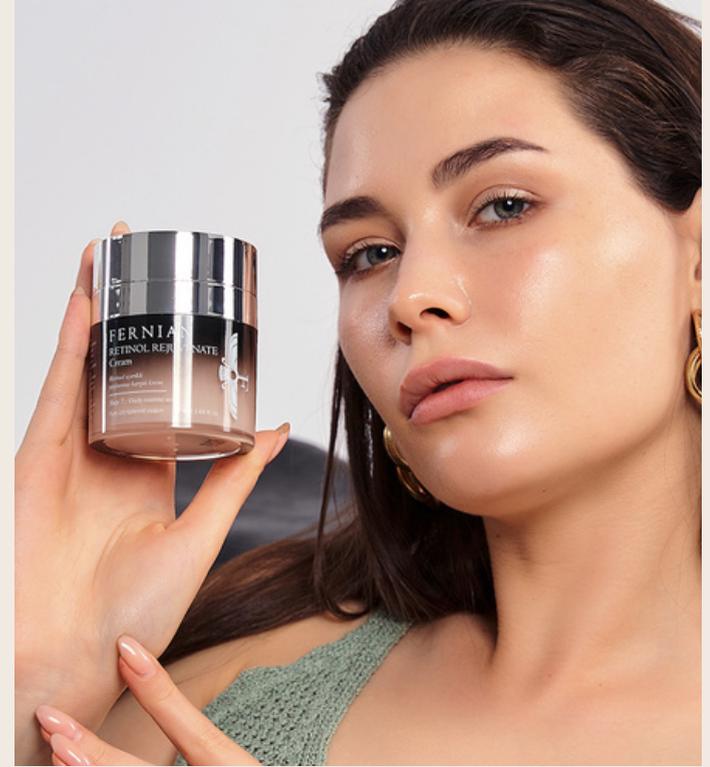

By containing anti-wrinkle effective peptides, reduces the depth of wrinkles on the face caused by the contraction of muscles of facial expression, especially in the forehead, eye contour and around mouth.

It protects the elasticity of the skin and plays important role in the prevention of new wrinkles that may occur in continuous use. It also contains Serine, an amino acid that serves as a water-binding ingredient which provides great skin hydration in corporation with Niacinamide, resulting in a plump appearance.

Argireline, Acetyl Tetrapeptide-11, Acetyl Tetrapeptide-9, Hyaluronic acid, Vitamin B3, Hydrolyzed Collagen

RETINOL REJUVENATE CREAM

Retinol is a highly potent and multi-functional anti-aging ingredient which accelerates the skin turn over and reduces the appearance of visible signs of aging such as blemishes and fine lines. It also protects the skin against photo-aging. Fernian Retinol Rejuvenate cream, reduces wrinkles, improves the appearance of UV-damaged skin and make it more elastic.

The hyaluronic acid and collagen it contains, strengthen the effects of retinol resulting in firmer and brighter skin. In addition, peptides reinforce the anti aging effects of it while moisture barrier ingredients like Niacinamide preserves the skin's natural moisture for a plump appearance.

Retinol, Niacinamide, Acetyl Tetrapeptide-II, Acetyl Tetrapeptide-9, Hyaluronic acid, , Hydrolyzed Collagen

HYDRASOOTH GEL

Deep-Hydrated skin cells + Instant soothing

Containing aloe vera and Vitamin E, HydraSooth gel has been developed to preserve the natural moisture of the skin while deeply moisturizing it. Trehalose, accompanied by Hyaluronic acid, helps to draw moisture from the environment to keep skin cells deep-hydrated.

Further more, by containing anti-inflammatory ingredients, especially Aloe vera extract, it is a well-soothing product, proper to use for sensitive and reactive skins and also after laser/depil/ epil treatments.

Aloe vera, Vitamin E, Hyaluronic acid, Vitamin B3),
Bisabolol, Trehalose

CORRECTOR ANTI ACNE GEL

Sebum regulating + Anti inflammatory + Collagen boosting

Corrector anti-acne gel offers a versatile approach to acne control: Enriched with Salicylic Acid (BHA), it is designed to effectively cleanse pores and help prevent future acne by regulating sebum production.

Vitamin C and Vitamin B3 (Niacinamide) combine to combat redness and even skin tone, while Pro-Vitamin B5 soothes the skin and supports its healing.

Faex, Caffeine, Biotin, Horse Chestnut extract and Glucomannan work synergistically to increase collagen production and skin elasticity while also minimizing the appearance of acne-related blemishes. While Zinc Gluconate aims to create a balanced skin, it contributes to the reduction of blemishes and sebum control.

Panthenol (Pro-Vitamin B5), Vitamin C, Hyaluronic Acid, Niacinamide, Faex, Salicylic Acid, Horse Chestnut Seed Extract, Zinc Gluconate, Caffeine, Biotin

LIFT & REJUVEN SERUM

Anti aging & Lifting serum

Using the power of Peptides, Hyaluronic Acid, and Marine Collagen, the Lift & Rejuven serum works wonders for skin. It helps tighten your skin and minimizes the pores, all while smoothing away fine lines. Packed with antioxidants, this serum not only shields your skin from harmful free radicals but also keeps it moisturized, helping it retain its natural moisture.

Hyaluronic acid, Marine Collagen, Peptides, Niacinamide, Pro-Vitamin B5, Caffeine, Saxifraga Sarmentosa Extract, Papaya Fruit Extract, Psidium Guajava Fruit Extract

BRIGHT UP+ SERUM

Anti Blemish Brightening serum

Panthenol (Pro-Vitamin B5), Vitamin C, Caffeine, Niacinamide, Hyaluronic Acid, Marine Collagen, Tetraic Acid, Extract, Papaya Fruit Extract, Psidium Guajava Fruit Extract

Bright Up+ serum, infused with the power of Vitamin C and Caffeine, this serum works diligently to illuminate the skin tone while minimizing the visibility of blemishes.

The inclusion of Hyaluronic Acid and Niacinamide ensures deep hydration and fortifies the skin's natural moisture barrier. Enriched with potent antioxidants, this serum shields the skin from the harmful effects of free radicals, leaving face with a radiant and revitalized appearance.

HAIR REVITA⁺

Anti Hair-loss Trichogen Serum

The dynamic formula of HairRevita+ is driven by the groundbreaking Trichogen complex, which not only strengthens hair strands but also revitalizes scalp health, effectively combating and reversing hair loss issues. Meanwhile it promotes follicles to grow new hair.

Beside stimulating follicles and taking over scalp issues, it makes hair strands grow stronger.

Arginine, Biotin, Hydrolyzed Keratin, Hydrolyzed Soy Protein, Niacinamide, Allantoin, Panax Ginseng Root Extract, Zinc Gluconate, Caffeine, Pro-Vitamin B5

Q10 VITALIZING SERUM

Antioxidant Vitalizing Serum

Benefiting from the antioxidant effect of Q10, vitamin C and Caffeine, it shields against free radicals, concurrently promoting skin tone balance and glow. Hyaluronic acid, Peptides, and Niacinamide work in harmony to maintain the skin's natural moisture, while the inclusion of Marine Collagen and Pro-vitamin B5 enriches the serum's hydrating effect.

In two different tone:

Ivory (for cool undertone skins)

Light Beige (for warm undertone skins)

Q10, Vitamin C, Pro-Vitamin B5, Caffeine, Hyaluronic Acid, Niacinamide, Marine Collagen, Peptides, , Saxifraga Sarmientosa Extract, Papaya Fruit Extract, Psidium Guajava Fruit Extract

UV HYDRA DEFENSE SPF 50

Broad Spectrum Anti photo-aging
& Moisturizing Sunscreen

Pro-Vitamin B5, Niacinamide, Vitamin E, Hyaluronic Acid, Shea Butter

UV Hydra Defense SPF 50 is a water-based sunscreen with moisturizing and anti-photo-aging properties. Niacinamide (Vitamin B3) and Panthenol (Pro-Vitamin B5) come to the fore by collaborating to strengthen the barrier tissue of your skin. While Niacinamide has wrinkle-reducing, barrier-repairing and acne-fighting properties, Panthenol helps the skin stay hydrated by trapping moisture in the skin.

Accompanying Vitamin E and Hyaluronic Acid strengthen the moisturizing effect while nourishing your skin's texture and providing care against signs of sun-induced aging. Enriched with UVA and UVB protection ingredients, this formula helps your skin stay moist while protecting it from harmful sun rays.

4 IN 1 HYDRASOOTH MAN CARE CREAM

Moisturizing, Soothing, Antioxidant and Nourishing Hydrasooth Man care, fights against factors that men's skin can be exposed to in his daily life. By having non-greasy texture, it doesn't cause a shiny appearance. Containing Anti-inflammatory actives like Allantoin, prevents and soothes the sensitivities that may occur. Contains Vitamin E and Amino Acid, while nourishing the skin, it also leaves antioxidant effect beside helping with cell renewal.

In 2 different scents:

Prestige

Designed for special days and business life

Aqua

Refreshing scent for daily use

Aloe vera, Allantoin, Vitamin E, Hyaluronic acid, Vitamin B3, Trehalose

CELLULAIRE CLAIR

AHA / BHA Toner

CELLULAIRE CLAIR toner with AHA/BHA is formulated to gently cleanse pores and dead skin cells and balance sebum. By helping to accelerate the skin's transformation process (TURN OVER), it helps stimulate collagen production, fade brown spots, reduce wrinkles and tighten the skin with cellular renewal. It also helps prevent irritation and acne thanks to the anti-acne and redness actives it contains. It also contains moisturizing ingredients that can provide smoother, brighter skin and a fresher appearance. Suitable for normal, combination and oily skin types.

Salicylic Acid, Lactic Acid, Glycolic Acid,
Niacinamide, Pro-Vitamin B5, Horse
Chestnut seed Extract, Caffeine, Biotin

HYDRATANT CLAIR

Hydrating Micellar Water

Hydratant Clair Micellar water acts as a gentle cleanser, helping to remove dirt and excess oil from the skin without causing redness, sensitivity or dryness. It can also have a moisturizing effect due to the presence of active ingredients such as hyaluronic acid in its components, as it helps strengthen the skin barrier and prevent the skin from losing its natural moisture. It also contains amino acids and antioxidants and aims to provide clean skin with a bright and fresh appearance.

Hyaluronic Acid, Serine, Lauryl
Glucoside, Glycerin, Algin

SOIE CLAIR FOAMING CLEANSER

Moisturizing Cleansing Foam

Thanks to plant-based actives mainly derived from coconut oil and palm kernel extract, Silky cleansing foam completely cleanses the skin of make-up, oil and pollution that daily life imposes on us, while preventing irritation, itching and the feeling of dryness that usually occurs after using cleansers.

In addition, with moisturizing components such as hyaluronic acid, it prevents the skin from losing its natural moisture and helps maintain its elasticity, giving the face a fresh look.

This mild and moisturizing cleanser can be used for all skin types, including sensitive and reactive skin.

Coco-Glucoside, Lauryl glucoside,
Cocamidopropyl Betaine, hyaluronic acid,
Bisabolol, Glycerin, Serine, Trehalose,
Panthenol (pro-vitamin B5)

PROFESSIONAL PRODUCTS

SUREVIVE

Anti aging + Anti wrinkle + Firming

Containing anti wrinkle effective ingredients like peptides and Saxifraga Sarmentosa Extract in company with Hyaluronic acid and Collagen, Surevive provides a deep anti aging care which reduces visible signs of aging. Through promoting collagen production in dermis, improves skin density while firming it. Furthermore it contains moisturizing components and antioxidants which supports the anti aging function of Surevive even more.

Formulated to reduce visible signs of aging. It helps to tighten the skin and gain a lift effect. - 5 vials of 6ml / 0.20 fl oz

RESURFACING BRIGHT-UP

Anti blemish + Brightening

By the support of Vitamin C and Caffeine, Resurfacing Bright up aims lightening the skin tone as well as reducing blemishes. Containing Antioxidant and moisturizing actives, it provides a radiant look while protecting skin against free radicals. The trio of Hyaluronic acid, Niacinamide and Hydrolyzed Collagen, strengthen the skin tissue and ensure that it doesn't lose its natural moisture, resulting in a revitalized appearance.

Vitamin C, Caffeine, Hyaluronic acid,
Niacinamide, Papaya Extract, Psidium
Guajava Fruit Extract, Hydrolyzed Collagen

VITA-Q10 BB SERUM

Anti aging + Brightening + Anti oxidant

Thanks to Q10 and Vitamin C it contains, Vita-Q10 BB serum regulates the skin tone and provide a bright vivid appearance while fighting with free radicals. Caffeine and Psidium Guajava Fruit Extract promotes its antioxidant effect even more. Also by containing peptides, Collagen and Hyaluronic acid, it provides anti aging effects as well as moisture support.

In 2 differents color: Ivory & Light Beige

Q10, Caffeine, Vitamin C, Acetyl Tetrapeptide-11, Acetyl Tetrapeptide-9, Hyaluronic acid, Vitamin B3, Hydolyzed Collagen, Saxifraga Sarmentosa Extract, Psidium Guajava Fruit Extract, Tartaric Acid

HAIREVIVE

Follicle stimulating + Anti hair loss

Hairevive prevents the aging of the hair follicles to fight against premature hair loss and supports enhanced cell proliferation, thanks to tripeptide-1 and Oleanolic acid it contains. Also it stimulates hair growth while improving hair strength by Biotin and Amino acids it contains. Furthermore Hairevive is an effective complementary care for post hair transplantation treatment, supporting more successful results.

Arginine, Biotin, Niacinamide (Vitamin B3), Tripeptide-1, Caffeine, Oleanolic acid, Panax Ginseng root extract, Hydrolyzed Soy Protein, Wheat protein

AHA / BHA CELLULAIRE CLAIR TONIC

Cellular cleansing + Exfoliating

Cellular cleansing tonic with AHA and BHA gently exfoliates dead skin cells, cleans pores and helps with sebum balance. As a result of accelerating the skin turn over, collagen production is stimulated, which causes the fading of brown spots, reduction of wrinkles and tightening of the skin with cell renewal. At the same time, it prevents redness, irritation and acne formation thanks to anti-acne and anti-irritant actives. Contains moisturizing actives that provide smooth, fresh skin and a brighter appearance. It is alcohol-free and suitable for oily, combination and normal skin.

Glycolic Acid (AHA), Lactic Acid (AHA), Salicylic Acid (BHA), Zinc Gluconate, Biotin (Vitamin H), Caffeine, vitamin B3, Faex, Horse Chestnut

PUR EAU CLAIR MICELLAR WATER

Moisturizing, antioxidant cleansing

Pur Eau micellar water is a mild cleanser that removes dirt and oil from the skin without causing redness, sensitivity or dryness.

Since it contains active ingredients such as hyaluronic acid and urea, it also has a moisturizing function as it strengthens the skin barrier and prevents skin moisture loss, as well as absorbing and retaining the moisture of the environment.

It also contains amino acids and antioxidants, leaving clear skin as a result. It is alcohol-free and suitable for all skin types.

Lauryl glucoside, Sodium Lauryl Glucose Carboxylate, hyaluronic acid, Urea, Serine, Glycerin, Caprylyl Glycol, Trehalose
