

# PRIVATE LABEL & Contractual manufacturing

 **GöçTürk Cosmetics**

Comprehensive support + Collaborative approach

# What we do

- **Contractual manufacturing;** producing new personal care (skin, hair and body) products
- **Private label;** Produce our products under your brand name

At GöçTürk Cosmetics, we take immense pride in being a distinguished manufacturer in the world of skincare, hair care, and body care products. Our comprehensive range of services encompasses private label and contractual manufacturing, allowing our clients to realize their unique vision with exceptional ease and confidence.

*GöçTürk Cosmetics, already owns 3 brands:  
**Fernian, Bold & Unique and Dermasoïn.***

# What sets us apart

- **Low minimum order quantity** while having capacity for mass production
- **Competitive** and Reasonable pricing
- R&D service; Developing new/**custom formulations** (including Organic, Vegan, Gluten-free, etc.)
- Taking advantage of +1000 **Quality ingredients**
- **GMP & ISO** certificated

What sets us apart is our dedication to our clients. We empathize with your concerns, and that's why we've crafted a business model that benefits both parties. With low minimum production quantities and competitive pricing, we strive to make your entrepreneurial journey more accessible. We believe that when you succeed, we succeed.

## **Production includes:**

- Customizing products (packaging, volume, scent, ...)
- Graphic design (label, box, packaging print)
- Providing import/export documents (e.g. Free-sale certificate, MSDS, Ingredients declaration)

## **Other services we can provide:**

- Shipping worldwide to you or your international partners (Produce in Turkey, Sell to the world)
- Technical lab tests
- Extra Certifications (Organic, Halal, Vegan, ...)
- Digital catalog of the produced products
- Professional photoshoots of produced products (solo or with model)

# Production category

- Skin care (including antiagings, dermocosmetics, sunscreens, ...)
- Hair care (including anti hair-loss, micro-needling serums, ...)
- Body care
- Baby care
- Suppliments (Including Protein powder, Vitamins, ...)

In our production category, we specialize in an extensive range of skincare solutions, hair care products, body care and baby care essentials, ensuring that we cater to a diverse clientele. We offer these products in various forms, including creams, serums, gels, lotions, toners/tonics, scrubs, masks (in cream, gel, or powder formats), foams, shampoos, fluids, and more.

# Comprehensive support

## Collaborative approach

We take the time to listen, truly understand your needs, and align our efforts to produce the highest quality products that meet your standards and the expectations of your customers. Our transparent business strategy focuses on mutual success, ensuring that your business thrives.

At GöçTürk Cosmetics, we are more than a manufacturer; we are a partner in your brand's journey. Keep in touch with us to explore the possibilities of private label and contractual manufacturing and witness how we can bring your vision to life with quality, care, and collaboration.
